CERTIFIED & ACCREDITED BY

01 · PROGRAM BRIEF

Built for **practice change**, not attendance certificates.

One cohort of 25 diabetes educators from the Health Insurance Organization (HIO). University professors behind Roadmap's Diabetes 360 platform teach alongside The Bridge Academy's educators.

1

Complete diabetes care

DKA, insulin therapy, hypoglycemia, technology, nutrition, and how educators talk with patients and families.

2

Expert academic speakers

Professors of pediatrics, diabetes and endocrinology from Cairo and Ain Shams universities, the team behind the Diabetes 360 platform.

3

Applied case practice

Real clinical cases, hands-on device stations and learn-by-gaming sessions.

4

Certificate and credit

A certificate of completion and 20.75 CMEP credit points for every participant who attends all five days and passes both evaluations.

20.75

CMEP CREDIT POINTS

ISPAD-certified curriculum. The International Society for Pediatric and Adolescent Diabetes certifies the course curriculum.

EACMED-accredited credit. The Egyptian Association of Continuing Medical Education Development accredits the program for 20.75 CMEP credit points.

02 · WHO SHOULD REGISTER

Diabetes educators only · 25 seats

7+

years of total clinical nursing experience

3+

years minimum dedicated to diabetes patient care or education

5+

years remaining before official retirement
